

## **PRAISE REPORTS**

### **April 22, 2017**

**Great News!!!** As many of you know, our ministry programs with ACTC, the halfway house for ex-offenders leaving prison, was cancelled due to the policy of the new owners, which does not allow ex-offenders, even off of parole, to have contact with the ACTC residents. Both Charles, who teaches the Bible Study, and me are ex-offenders. Thus our programs, which include Bible studies, transportation to CHCC services and events, and outdoor adventure trips have been cancelled for over two months. I was notified yesterday, that Charles and I have been approved, and that all programs will be reinstated shortly.

**Great News!!!** We have a building under contract for our Community Center. It is located close to our current location, and close to Urban Peak, which provides housing and other services for the homeless youth.

**Great News!!!** We have a donor who is donating the funds needed to purchase the building.

**Challenging News!!!** We have to vacate our current facility by April 30.

**Challenging News!!!!!!** Due to the improvements that need to be made and the required City of Denver approvals, we will not be able to occupy this building for at least two months. This means that we will be using City Parks, weather permitting, to conduct our various programs, including our Sunday Church services.

**Challenging News!!!!!!** The costs for remodeling this building will be over \$100,000. We do not have these funds. I ask that you pray about donating to help cover the remodeling costs.

**Great News!!!!!!** I know that all things are possible through Christ. I ask that you pray for this ministry and our current challenges.
