Friends of the Ministry,

Last night I went to a very special high school graduation. Salima, a young girl who I met at the Refuge Center, had invited me. She had run from a very abusive home to the streets. Twelve months ago she accepted Jesus as her Savior, and her life has never been the same. Shortly thereafter, she decided to go back to school and get her high school diploma from Colorado High School Charter. She then got her own apartment, with the help of Urban Peak. Then she was blessed with a good job, which allowed her to continue with her school. Salima was the class Salutatorian, having a 3.85 GPA. She has been accepted at UNC, University of Northern Colorado, an outstanding college, with a full ride scholarship.

I thank GOD for leading me to this ministry and for each of you, who support Refuge City Ministries. Please keep Salima and all the other homeless youth in your prayers.

GOD Bless,
