

PRAISE REPORT

January 17, 2016

Today, we held our first “practice” church service at the 5280/Refuge Community Center. Without any formal announcement, we had a total of 28 people, including 18 youth and 9 members of the ministry team. For our first try, it was great!! The program format is:

- 11:00 Open Doors/Greet Guests
- 11:30 Music Worship
- 11:45 Prayer/Message
- 12:05 Small Group Discussions
- 12:25 Music Worship
- 12:35 Closing Prayer
- 12:45 Free Lunch

The subject today was Romans 10:15: “That is why the scriptures say, “How beautiful are the feet of messengers who bring the good news!” After the message and group discussion, each youth who wanted to be a messenger of the good news, put their bare foot in a paint pan and then pressed it against a wall dedicated to spreading the good news. It will be a lasting wall dedicated to those youth who have accepted Jesus as their savior. The youth had fun and were excited that their footprint was on the wall. We then followed the service with a Pizza Party!!!

Many youth have been to CHCC and Denver First Church, but did not feel comfortable; did not feel like they really belonged. Today, they were using the words “my church”!!!

We will have a second practice service in February and will then begin weekly services on Easter. All are welcome. We are in need of additional volunteers.

Thanks and GOD Bless,
