

PRAISE REPORT

September 2, 2018

Tonight, like every Sunday night, we hold a Bible Study at the ACTC Halfway House. This was the first ministry we started in 2010. At that time, Bill and Marcia Watts, assisted me with the studies. Over the years, we have had several men and women from CHCC help with the Bible Studies and our other ministry, the mountain adventure trips. Today, this ministry is led by Charles Frederick and he is just like the men at ACTC, a convicted felon and did time in prison. GOD has blessed Charles by allowing him to be able to memorize parts of the Bible; God continues to bring the Bible to life; no matter the Scripture, no matter the problem, no matter the question, no matter the subject!

Tonight was an awesome night, as close to 40 residents attended the Bible study! Charles asked the residents if anyone had a scripture they had been reading and questioning. A resident said he had been reading John 13 and would like help understanding this scripture. So Charles chose to do the Bible Study on John 13. This is the passage that talks about Jesus washing His disciples' feet and how a servant is not greater than his master. The men were very active in the Bible study and afterwards several new men at the facility approached Charles and expressed interest in attending Cherry Hills Community Church, agreeing on the importance of giving God His rightful place in their lives.

I thank GOD:

- For leading me to this ministry; which truly allows us to disciple the lost and least of our society
- For leading Charles to this ministry; a man GOD has gifted with an amazing knowledge of the Bible and love for these men.
- For blessing us with a good relationship with the new owners, who purchased ACTC one year ago. A national company that owns and operates Halfway Houses in many states, and had strict rules and regulations, has been very cooperative and helpful, by allowing us to do ministry programs, not allowed at any of their other facilities.

GOD is GOOD!!!!

GOD Bless,
