

PRAISE REPORT

September 11, 2016

Today was an incredible day at the Community Center. We had 49 people attend the church service; our largest number yet. Next week, we will hold our first Baptism service. For the last several weeks, we have been discussing the meaning, the significance and the blessing of Baptism. This Sunday, several men from the ACTC halfway house, who had been baptized at CHCC, came to our service and gave their testimonies about what Baptism meant to them. This was followed by Charles, the leader of our ACTC ministry, who gave an inspirational talk about choosing GOD or choosing drugs. Then Tina, from Movement 5280, our partner in the Community Center, spoke encouraging the youth to step up and be Baptized. The presence of the Holy Spirit was so strong!!! As a result, we will be Baptizing six homeless youth next week. Some of the youth then talked with the men from ACTC. As a result, these men want to start regularly attending our church.

The youth named our Church - "Lost and Found, A Sanctuary for All". Today, that was truly the case!!!!
