

## **PRAISE REPORT August 7, 2016**

### **SURRENDER TO CHRIST**

The ultimate goal, the reason Refuge City Ministries exists, is to bring those, young and old, who are struggling with life, who society has discarded, and who, themselves have given up, to accept Jesus Christ as their savior, and find a new life, a peace and a joy through GOD's gift of the Holy Spirit.

**TODAY, SUNDAY, WAS AN AMAZING DAY!!!!**

Six men from ACTC Halfway House; Bobby, Joe, Nate, Paden, Albert, and Mark were baptized. In addition, to show solidarity and support for these men, one of our volunteers, Dave was also baptized with them. The church used the testimonies of three of these men in their baptism video. These men all have a strong faith, reflected in their daily walk, their hunger for our Bible studies and their love for each other. To celebrate their baptism, they attended the Colorado Rockies baseball game and the subsequent concert by the Christian Musician, Crowder,

In addition, during the Community Center Church Service, four homeless youth, dedicated their lives to Christ, and will soon be baptized!!!! We have already had three youth baptized since starting the church in April.

This is all made possible by your support through prayer, financial contributions, and volunteering your time. I praise GOD for the way he has blessed this ministry with amazing volunteers, the prayers of so many people, the support of Cherry Hills Community Church, and funds whenever needed.

Thank You and GOD Bless,
